**Cost:**

\$75--This will include lodging and food.

As we have done for previous Staff Conferences, travel assistance will also be offered. We plan to cover all of the travel (airfare/mileage) costs. Attendees will make their own travel arrangements and then request reimbursement at the conference for those expenses. Mileage will be paid based on the current synod mileage reimbursement rate. Because these costs are being picked up our committee, attendees are asked to do all that they can to keep their travel costs to a minimum. We trust the brothers and sisters will act in good stewardship as they make their travel arrangements.

**Follow Up:**

We will have a sheet for the conference attendees to fill out before they leave the conference naming three things that they are going to do or work on from the information that they received from this conference as well as give suggestion to the Campus Ministry Committee on how our committee can better serve our campus ministries and the WELS as a whole.
