

God's grace has opened doors to an unprecedented mission opportunity in communist Vietnam.

HMONG OUTREACH  
IN VIETNAM

Brothers and Sisters in Christ,

Sometimes God opens doors to mission opportunities that we may not have imagined possible.

One of those doors has been opened to our synod. We have been given the opportunity to take the gospel to the Hmong people living in the country of Vietnam. We've not only been asked by a large Christian group in that country to teach and train their pastors in Lutheran doctrine and practice, but we have also been permitted, and even invited, by the government of Vietnam to establish a theological training facility in Hanoi.

Learn more by watching the December 2018 WELS Connection in your congregation or online. Read about this unprecedented opportunity through a special brochure that was mailed to your congregation. For even more details on how God has opened this door to mission work, visit [wels.net/vietnamhmongoutreach](http://wels.net/vietnamhmongoutreach).

Join me in the prayer that God will not only enable us to see this opportunity, but to seize it with joy and commitment and to support this effort with our prayers and offerings.
