

Rev. Dan Lindner serves as the WELS Campus Ministry Mission Counselor. He partners with a variety of individuals, groups, and institutions to serve college-age students. He works to strengthen and support existing campus ministries, encourages high school students (both domestic and international) to connect with a campus ministry, works with congregations to start and maintain active campus ministry programs, and equips domestic and international students to share their faith with family and friends wherever they call home. He also partners with district mission boards as they explore planting new churches where colleges would be part of the mission field.

Rev. Lindner spent his vicar year at Cristo Glorificado in Puebla, Mexico. Prior to his current call, he served as a tutor at Nebraska Evangelical Lutheran High School, a parish pastor at St. John's in Minneapolis, Minn., and the campus pastor for True North Campus Ministry in the Twin Cities.

He and his wife live in Minneapolis, Minn. She is a teacher at a Hmong Charter School in St. Paul, Minn. In their free time, they enjoy traveling together, spending time in National and State Parks, kayaking, and enjoying various activities and events in Minneapolis.
