

Missionary Nathan Schulte has lived in Quito, Ecuador, since 2018. He graduated from Wisconsin Lutheran Seminary in 2017 and was assigned to serve the Latin American mission team. He spent his first year of ministry in Mexico as the team prepared to open the mission in South America. He previously served as a vicar at Grace Lutheran Church in Falls Church, Va.

Missionary Schulte's work is divided into three categories. He teaches classes online to students who are learning and preparing to start groups and congregations where they live, mentors advanced students who have taken steps to start groups, and also serves as the Academic Dean of Academia Cristo to make sure students are getting the classes they need and are signing up regularly for them.

He married Alyssa in 2023, and they are excited to continue being part of mission team and making Ecuador their home.
